Welcome

It has been three years since we last met to celebrate our shared passion for music and hi-fi at the UK's largest speciality high-end audio event, but 2022 sees us all return to the spectacular Ascot Grandstand for an unforgettable weekend of pure listening gold. Once again the world's finest separates are on demonstration at The UK Hi-Fi Show *Live* 2022, delivering stirring sounds matched only by the Grandstand's award-winning architecture, stunning aerial views and fine food and drink.

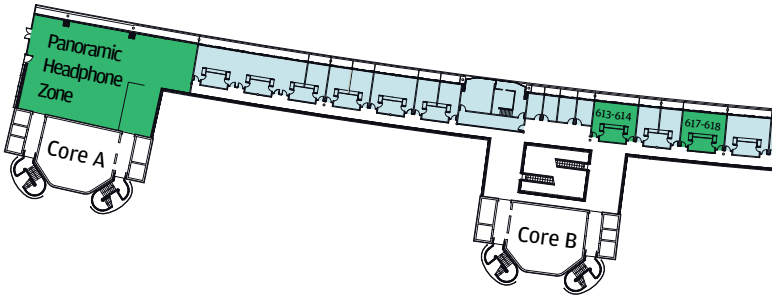

So whether you prefer your music streamed from a server or spun from a vinyl LP, we aim to tempt every enthusiast with the cream of the hardware crop. With our exclusive listening sessions, interactive workshops, Vintage Village, Vinyl sales fair and presentations by top international brand ambassadors and VIPs [see p16], these two days in September will surely live long in our collective memory. Enjoy...

Need to know

Arrival at the Ascot Grandstand: Free car parking is provided in Ascot Car Park N°3, opposite the Grandstand on Ascot High Street. Visitors may enter the UK Hi-Fi Show *Live* via Ascot Ticket Office East (also on the High Street) and access the Grandstand Concourse between Cores B and C [see graphic on p7, opposite] following the guides and flags.

Getting around: Please take a little time to familiarise yourself with the layout of this huge venue which is divided into quadrants, via stairwell/elevator Cores A, B, C and D, over six levels. You will enter the Grandstand Concourse at Level 1 between Cores B and C. Elevators to all floors are available within the Cores, and escalators to Levels 2 and 4 are accessible upon entry to the Concourse.

A network of stairs and escalators allows swift access to every corner of this sweeping venue. Look out for our blue banners which point the way to more exhibitors and look down at our 'Walk This Way...' footprints to ensure you are always on track. Where you see the red 'No Entry' footprint, please turn around.

You may also wonder why our demonstrations are seemingly scattered across this impressive venue. The reason is simple – where possible, we want to use the biggest spaces (the double and triple Ascot boxes) and these are distributed across Levels 2-6 rather than concentrated in one area.

Using the Guide: If you are looking to quickly locate a particular brand then turn to our index on p20. Manufacturers (brands) are listed alphabetically here and their location pin-pointed by the Suite number(s), the floor level and closest Core within the Ascot Grandstand. More detailed floorplans for each section of The UK Hi-Fi Show *Live* are also provided in this Show Guide.

The hosting brand, or distributor, and Suite number(s), will be indicated at the entry to each demonstration space. If in doubt, look out for the iconic Ascot 'Bowler Hats' who are stationed on every Level to help you navigate.

Food and drink (Level 4): We have a diverse food court and seating area open for 2022. Outlets include The Horsewalk Restaurant and The Frankel Bar situated between Cores A and B on Level 4 and a Lavazza coffee bar further along Level 4 between Cores B and C. Indulge your appetite while soaking up the spectacular views, and don't forget our Vinyl Fair on the same Level.

Toilets: Are located alongside the Cores on every level of the Ascot Grandstand

At the time of going to press, confirmed presenters include **Heinz Lichtenegger** [Pro-Ject Audio Systems], **Irv Gross** [Constellation Audio], **Paul McGowan** [PS Audio], **Peter Mackay** [Magico], **Gunter Kürten** [Thorens], **Dr Matthias Luck** [Brinkmann Audio], **Brandon Lauer** [Audio Research Corporation], **Etienne Gautier** [MOON], **Jean-Baptiste Lierre** [Manley Labs], **Gabi and Edwin Rijnveld** [Crystal Cable/Siltech], **Bill McKiegan** [D'Agostino Master Audio Systems], **Grant Samuelson** [Shunyata Research], **Timo Engström** [Engström], **Miguel Carvalho** [Kroma Atelier], **Mark Döhmann** [Döhmann Audio], **Anders Ertzeid** [Hegel], **Steve Huntley** [YG Acoustics], **Massimiliano Favella** [Franco Serblin], **Robert Mayr** [FalkenOhr], **Lars Venning** [Raidho], **Terry Medalen** [Primare], **Bruno Putzeys** [Kii Audio], **Krzysztof Moshrif** [Ferrum Audio], **Florian Schultz** [AVM], **Michael McCormick** [Bel Canto], **Raveen Bawa** [dCS] and **Antoine Furbur** [MBL].

Furthermore, UK Hi-Fi Show *Live* regular, **Mike Valentine** [top left] of Chasing The Dragon – the world's leading producer of direct-cut albums – joins Symmetry in Suite 625-626 (Level 6, Cores B and C). Mike will be playing his new half-speed mastered double LP of Mendelssohn's Octet, performed on modern instruments, while also discussing the merits of valve vs. transistor mics and digital vs. analogue recording. Meanwhile, on the sprawling Level 4 concourse (Cores A and B) we have our vinyl/music fair alongside a very special art installation showcasing internationally-renowned music photographer **William Ellis**'s 'The One LP Project'. The exhibition features iconic images of major artists including Miles Davis, Herbie Hancock, Gregory Porter [top, right] and Tracy Chapman photographed on her first UK tour.

Also returning to The UK Hi-Fi Show *Live*, **Matthias Böde** [bottom left] from Germany's premier hi-fi magazine, *Stereo*, will present a special series of Workshops. Can you hear the difference between hi-res LPCM vs. DSD? Want to explore the sound of different cables or single-ended vs. balanced phono? Whatever the Workshop, Matthias is guaranteed to inject his unique humour into hi-fi!

If you love our vintage gear reviews in *Hi-Fi News* magazine, then visit our extensive Vintage Village in Suites 655-660 (Level 6, Core D). Look out for **Tim Jarman**'s [above] complete 1970-'80s Philips system featuring the iconic CD100 CD player [below] and motional-feedback loudspeakers. Show-goers will also have the chance to hear Organiser and EISA President **Paul Miller** [below right], joined by special guest **Jim Austin**, Editor of Stereophile magazine, discuss hi-fi's burning topics. See Show Reception (Ascot Ticket Office East), and TV displays throughout the Grandstand for times and locations.
